Stonyfield Farm and the Turtle Ridge Foundation Present BodeBash

Tennis & Golf Tournament and Charity Event to Benefit Olympic Medalist and World Cup Champion Bode Miller's Turtle Ridge Foundation

Sugar Hill, NH, July 23, 2008 - The Turtle Ridge Foundation (www.turtleridgefoundation.org), established by four-time World Champion and reigning World Cup Overall Champion Bode Miller and his family, and presenting sponsor Stonyfield Farm present a weekend of golf, tennis and a "Grower's Dinner" at Bode's home and organic farm in New Hampshire. Scheduled for August 23-24th at the Miller family Tamarack Tennis Camp in Easton, NH, all net proceeds raised from the event will benefit Turtle Ridge Foundation, a non-profit organization dedicated to supporting and creating programs that solve difficult environmental, health and economic issues. TRF also supports Adaptive Ski programs enabling Americans with disabilities to participate in sports and programs that protect the environment.

"We are excited to hold our first end of summer celebration by hosting this great event on our farm," said Bode Miller. "I am looking forward to playing a great golf game, participating in a tennis tournament and mingling with the guests at the dinner."

At the third annual Bode Miller Night for the Nashua Pride Baseball Team on July 18th, Stonyfield Farm donated \$25,000 to the Turtle Ridge Foundation.

"We're pleased to help Bode and the Miller Family strengthen the local community through its environmental, health, and social initiatives," said Gary Hirshberg, CE-Yo of Stonyfield Farm. "Many of the causes that Turtle Ridge values are close to our hearts as well and we are honored to contribute in any way possible."

Roster of Events

Saturday, August 23rd

Saturday afternoon: Bode Miller and guests will compete in a tennis tournament

Saturday evening: The Turtle Ridge Foundation will host a "Grower's Dinner" at Bode Miller's home and Organic Turtle Ridge Farm in nearby Sugar Hill, NH. After a welcome cocktail hour, a celebrated local chef will prepare dinner for all guests using the fresh organic vegetables from Bode's farm and other produce from the local community promoting a "Eat Organic, Eat Local," sustainable living theme. The event will also have a performance by Wicked Automatic – voted New Hampshire's best rock band by *New Hampshire Magazine*. Silent and live auction and other fun children's activities will be available; children are welcome.

Sunday, August 24th

Golf Tournament at the Maplewood Country Club in Bethlehem, NH

Bode Miller, his sponsors and all participants will play 18 holes of golf with a luncheon immediately following. Exciting prizes, games and contests will be available.

Event Costs:

Tennis: \$75 per person

Grower's Dinner: \$100 per person

Golf: \$150 per person

All three events: \$300 per person

About Stonyfield Farm

Stonyfield Farm, celebrating its 25th year, is the world's leading organic yogurt maker, and produces organic yogurt, smoothies, cultured soy, frozen yogurt, ice cream, and milk. The company advocates that healthy food can only come from a healthy planet. It was the nation's first dairy processor to pay farmers not to treat cows with the synthetic bovine growth hormone rBST. Stonyfield donates 10 percent of its profits to environmental causes; was America's first manufacturer to offset 100 percent of its CO2 emissions from its facility energy use; and recently installed the largest solar array in New Hampshire to help power its production plant. President and CE-Yo Gary Hirshberg addresses climate change in his new book, "Stirring it Up: How to Make Money and Save the World" (Hyperion).
